*The team of facilitators were extremely professional and well organised and all I had to do was give them the students! At the end of the day the students were really thrilled to have participated.*

*I can't think of a better way to integrate students, to challenge and engage them and have them fully committed to their educational journey and all that is offered. We will use Active Education as part of our transition every year to provide the same exciting opportunities to all our new cohort of students.*
