

# RUBBISH BINS

CATERING STAFF - IT IS YOUR RESPONSIBILITY TO EMPTY BINS AS REQUIRED AND AT END OF DAY FROM THE KITCHEN AND DINING AREA ACCORDING TO THE GUIDELINES BELOW. Please note there is limited bin space, if you follow this plan you will only have one wheelie bin of rubbish from a 3-day program from the kitchen.

- 6 recycling bins all are labelled
- **Note - All containers must be rinsed and cleaned before placing in recycling bins**
- Located near staff carpark (behind kitchen)
  - Milk cartons
  - Clear plastic
  - Metal (CLEAN fist-sized bundles of aluminium foil can also go in this bin)
  - Glass
  - General plastic (soft plastics can go in if bundled)
  - 10c refundable
  - Cardboard and paper

## Compost:

- Two white buckets for **all** food scraps from preparation and meals
- Each evening white buckets are to be emptied into compost bin along fence (straight line across road from staff carpark walkway)
- Hand/paper towels can be composted!

## General Waste:

- Rubbish that goes into general waste (for example):
  - Foam trays
  - Dirty wipes (chux wipes)
  - First aid waste
  - Dirty plastics (food wrappers etc.)
  - Rubbish bags from small bins around campsite

# Recycling

**for example:**

- Clean Milk cartons
- Clean Clear plastic
- Metal (CLEAN fist-sized bundles of aluminium foil can go in)
  - Clean Glass
- General plastic (Clean soft plastics can go in if bundled)
  - 10c refundable

# Compost

for example:

- food scraps
- Hand/paper towels can be composted

**for example:**

- Foam trays
- Dirty wipes (chux wipes)
- First aid waste
- Dirty plastics (food wrappers etc.)
