

REMARKABLE INCURSIONS

BENEFITS OF ACTIVE EDUCATION'S INCURSION PROGRAMS

COST EFFECTIVE

We understand the need to keep the costs of experiences for your students down and by developing a set framework for our Incursions we have been able to offer school groups prices from \$6 per head

"GREAT PRICE! It would have cost us more to hire a bus to get to the city"

RANGE OF PROGRAM OPTIONS

We have a large and growing range of incursion activities (many with direct links to Australian Curriculum) and the 60-90 Minute sessions can be tailored to work around your school timetable

"Activities were engaging, challenging and fun,"

WE COME TO YOU

We provide the excitement, fun & education of an excursion within the convenience and safety of your classroom or school grounds.

"The overall experience was excellent, with all staff being enthusiastic and well prepared"

MIXTURE OF FUN & LEARNING

We understand the challenges in finding time in a busy teaching schedule so our aim is to support teachers by providing alternative opportunities for students to learn in a hands-on and memorable way

"The guys were fantastic, it was an enjoyable way to end our unit of work"

ENGAGING STAFF

Our professional Incursions team also deliver our School Camp programs and are either Teacher trained or have a background in Outdoor Education. Staff are First Aid Trained with DCSI & Catholic Ed Clearances

"The staff ran such a fun and informative program, can't wait to go to camp"
